There were no concerns. The committee discussed the need to fill the vacancy on the Budget and Audit Committee. Robin Comer was not reappointed to the ECC Board. The B&A Committee agreed to add Duplin County Commissioner Jesse Dowe to the committee. Jesse consented to the appointment and President Turney made it official. This brings the B&A Committee to its full compliment of the four officers and three other Executive Committee Board members.

5. **Audit Contract for FY 17/18**-- Jenny Miller, Finance Director, reported that we had received the audit contract from RSM for FY 17/18 and that the amount was the same as last year $34,000. Lou Cannon from RSM was supposed to be here tonight to discuss this, but had a last minute emergency. He will be here next month.

8. **Report of Executive Director Search Committee**---Shane Turney, President, explained that the Search Committee was comprised of nine Executive Committee members, one from each county. The search began with 20 candidates, was pared to nine and four were selected to be interviewed. Two candidates were interviewed on Wednesday May 10th and two more will be interviewed on Tuesday May 16th. Shane
explained that the committee needed authorization from the Executive Committee to negotiate with the candidate(s) and to hire for the position. 

*Motion made by Benny Heath and seconded by Bill Taylor to give the Search Committee authorization to negotiate with the candidate(s) and to hire the Executive Director. Motion was unanimously approved.*

9. **Authorization and appointments**-- Jenny Miller, Finance Director, explained that in preparation for the new Executive Director that she and Judy Hills had been reviewing policies and procedures including authorizations and appointments. In doing so it was noted that some authorizations and specific appointments were needed at this time. She reviewed the material presented in the agenda packet and responded to questions. The following were requested:

   a) Official Signatory—Historically the Executive Director signs on behalf of ECC unless another specific signature is required. The last time the Board authorized the Executive Director to sign for ECC was in 1999 and it was only for grants.
   b) NCGS 159-9 requires the official appointment of a Budget Officer. Historically the ECC Executive Director has signed as the Budget Officer, but was never officially appointed as such.
   c) NCGS 159-24 requires the appointment of a Finance Officer. Historically the ECC Finance Director holds this position, but was never officially appointed as such.
   d) Several NCGS statutes mentions a Deputy Finance Officer who serves when the Finance Officer is unavailable. ECC has never officially appointed a Deputy Finance Officer and we would like to appoint one in the event that the Finance Officer is incapacitated. This would allow the Deputy Finance Officer continue normal operations. This authority would only be given in an emergency and only for a limited time period.
   e) NCGS 159-28.1 allows the use of facsimile signatures and devices in signing checks, but a resolution of the board is required to do so. ECC uses a facsimile signature of the Finance Director to sign checks (in the password protected computer system).
   f) NCGS 159-31 requires the board to designate an official depository. ECC has been using First Citizens Bank and Trust for a number of years, but we have never officially designated them.

*Motion made by Bill Taylor and seconded by Jay Bender to approve in a block items 1 through 6 below:

1. “Authorize the ECC Executive Director to be the official signatory on behalf of ECC.”
2. “Appoint the ECC Executive Director as the Budget Officer for the Neuse River Council of Governments dba Eastern Carolina Council of Governments in accordance with NCGS 159-9.”*
4. “Appoint Meredith Leighann Morgan as ECC Deputy Finance Officer, only in the event the current Finance Officer is unavailable, for dual check signature requirements, pre-audit certifications and disbursement approval signature requirements.”
5. “Approve the use of facsimile signature machines, signature stamps, or similar devices in signing checks and drafts and in signing the pre-audit certificate on contracts or purchase orders per NCGS 159-28.1”
6. “Designate First Citizens Bank & Trust as ECC’s official depository in accordance with NCGS 159-31.”
Motion was unanimously approved.
