"A celebration of the creative expression of seniors in North Carolina", has been included as a major component of the traditional athletic competition of North Carolina Senior Games. SilverArts encourages the continuing effort of older adults to create, explore, and display the Visual, Heritage, Literary, and Performing Arts and to increase public awareness of their talents and activities.

SilverArts unites the athlete and the artist in a program that recognizes the similarities of both endeavors: discipline, dedication, and pride in one's accomplishments.

At present, SilverArts recognizes four broad categories, each with several sub-categories. First and second place winners in the Literary subcategory will be eligible for the NC Senior Games Finals. First, second and third place winners in the Visual and Heritage sub-categories will be eligible for the NC Senior Games Finals. North Carolina Senior Games Finals awards, first, second and third place in each sub-category of these arts.

One overall winner in the Performing Arts category will also be eligible for the North Carolina Senior Games Finals and be able to compete for first, second and third place awards. Onslow County Senior Games awards first, second, and third place in all the sub-categories.
